Your Background and Experience

Please take some time to reflect on and answer the following questions:

What attracts you about the course and has led you to apply at this time?

What sustains your spiritual life at present?

What have been key experiences in your prayer/spiritual/faith journey in the past?

How have you benefitted from your experience of Spiritual Accompaniment/Direction?

How have you grown in your understanding of yourself? (For example, this might be through life events and reflecting on them in accompaniment, counselling or psychotherapy)

What experience have you had of listening to others?

Please tell us about any other relevant training or courses you have attended.

Is there anything else you would like to tell us which may be relevant?

Additional Needs

Do you have a disability? Yes / No

If you have a disability, please tell us what you might require in order to assist your participation on the course.

Safeguarding

You are required to disclose any convictions which are not considered 'spent' by virtue of the Rehabilitation of Offenders Act 1974. Convictions that are irrelevant to this role will not be taken into account.

Do you have any convictions, cautions, reprimands or final warnings that are not 'protected' as defined by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (as amended in 2013)?
If yes, please provide brief details. Declaring a conviction will NOT automatically prevent you from joining the programme.

References

Please give the contact details of two people you have asked to give you a reference. *These should be people who have known you for some time. Between them they should know something of your faith journey and be able to comment on your ability to listen to others and participate in a group.*
